Phantom Harry Hole #7

Former police inspector Harry Hole returns to Oslo after three years abroad. He seeks out his old boss at Police Headquarters to request permission to investigate a homicide. But the case is closed: the young junkie was in all likelihood shot dead by a fellow addict. Yet Harry is granted permission to visit the boy's alleged killer in jail. There he meets himself and his own history. What follows is the solitary investigation of what appears to be the first impossible case in Harry's career.

What Lies Beneath

When the village of Priors Bramley was closed off for chemical-weapons testing during the Cold War, a long history of dark secrets was also shut away. More than 50 years later, the ghost village has been declared safe again. Ella Haywood, who used to play in the village as a child, is haunted by the discovery of two bodies. Years ago, something terrible happened, and Ella fears she'll have to resort to drastic measures to ensure the past remains buried... [English, Suspense] 576pp Pb \$19.99

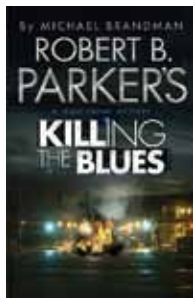

Mark Allen Smith
The Inquisitor

Surviving by instinct, with an innate ability to detect truth amongst lies, Geiger has established himself as an expert in torture. His clients are referred to him from all over the world. Geiger only has one rule: he will never work on a child. So when a client presents Geiger with a 12-year-old boy, his instinct is to walk away. But the alternative is too awful to contemplate. He accepts the assignment in an attempt to save the boy, but he will also uncover his own torturous history. [American, Psych.] 400pp Tp \$29.99
